Bhatia Global Hospital  
Ambica Vihar, New Delhi

- 1. Focus on "Hysterectomy"**  
November 19, 2004 (Friday)
  - 2. Focus on "Urinary Stones"**  
November 20, 2004 (Saturday)
  - 3. Focus on "Endo Hernia"**  
November 21, 2004 (Sunday)
- 

## **Inanimate Lab. Training**

- 1. Focus on Endosuturing**  
November 18, 2004 (Thursday)  
November 22, 2004 (Monday)

## **Animate Lab. Training**

- 2. Focus on Advanced Laparoscopy**  
November 23, 2004 (Tuesday)

**Venue**

Ethicon Institute of Surgical Education  
Kirti Nagar, New Delhi

# INVITATION

*Dear colleague,*

Greetings from Global Hospital & Endosurgery Institute.

It is a great pleasure once again to welcome you to our Live Laparoscopic Workshops **on Nov. 19–21, 2004**. Everyday we will have focused projection.

On **Nov. 19, 2004**, Total Laparoscopic Hysterectomy, Laparoscopic Assisted Vaginal Hysterectomy, Laparoscopic Myomectomy etc. will be demonstrated.

**Dr. Rakesh Sinha**, Director and Consultant Laparoscopic Gynaecologist, BEAMS, Mumbai, will share his skills and knowledge. He will also deliver a motivational lecture on "Create your own future".

On **Nov. 20, 2004**, "Focus on Urinary Stones" will have Retroperitoneoscopic surgery, flexible ureterorenoscopic surgery and Percutaneous nephrolithotomy for Ureteric/Kidney stones.

On **Nov. 21, 2004** **Dr. Davide Lomanto**, National University Hospital, Singapore and **Dr. Pardeep Chowbey**, Chairman, Minimal Access Surgery, Sir Ganga Ram Hospital and our team would be showing different techniques of Laparoscopic Hernia repair i.e Paediatric Hernia, TEP, TAPP for Inguinal Hernia and Ventral hernia repair (sutured and stapled).

Along with live workshop cases, a galaxy of speakers from all over will participate in the video CME to share their practical experience and knowledge. We would

definitely appreciate if you could present your practical experiences (eg. Innovations, complications, new applications etc.) in the form of Video CD.

We have revised our book on "Art of Endosuturing – step by step approach" by inserting more photographs, demonstrations and videos on CD. We always welcome your suggestions on the initiative. Your feedback is important to us.

Based on the feedback that we have received from our previous four workshops (on Endosuturing, Fibroids, Hernia & Urinary stones), we can assure you that our team is constantly working towards making this event even more attractive and educative.

We do hope that you enjoy participating in this unique initiative as much as we do in putting it together. It goes without saying that our global recognition (recently by NHS National Health Services, U.K. & WHO) and awards (Sadbhavna Samman, 2004) would not have been possible without the support from all of you. Thank you.

Your active participation itself ensures the success of the workshop and Video CME.

With warmest regards & Happy Diwali.

Sincerely,

**Dr. Parveen Bhatia**

**Dr. Bharat Bhasin**

**Dr. Rajat Saxena**

**Dr. Indu Bhatia**

**Dr. Archana Dhawan**

# PROGRAM SCHEDULE

## FRIDAY, NOVEMBER 19, 2004

(8.00 am to 6.00 pm)

### Live Surgeries + Video CME

- Total Laparoscopic Hysterectomy
- Laparoscopic assisted Vaginal Hysterectomy
- Laparoscopic Myomectomy
- Vaginal Hysterectomy

## SATURDAY, NOVEMBER 20, 2004

(8.00 am to 6.00 pm)

### Live Surgeries + Video CME

- Retroperitoneoscopic Uretero-lithotomy
- Retroperitoneoscopic Pyelo-lithotomy
- Percutaneous Nephro lithotomy (PCNL)
- Flexible and rigid Uretero-Renoscopic Surgery

## SUNDAY, NOVEMBER 21, 2004

(8.00 am to 6.00 pm)

### Live Surgeries + Video CME

- Laparoscopic Paediatric Hernia repair
- Laparoscopic Inguinal Hernia repair
  - Trans-abdominal Preperitoneal repair (TAPP)
  - Total Extra-Peritoneal Hernia repair (TEP)
- Ventral Hernia repair
  - Sutured
  - Stapled

**Cocktail Dinner (7.00 pm onwards)**

### ENDOSUTURING

**No future without suture**

Dr. Ashish Vashist  
Dr. Bharat Bhasin  
Dr. Jagpreet Singh Deed  
Dr. Rajat Saxena  
Dr. S. P. Dembla  
Dr. Sudhir Kalhan  
Dr. Suviraj J. John  
Dr. Yogesh Aggarwal

### Operating Faculty

Dr. Davide Lomanto  
Dr. Pradeep Chowbey  
Dr. Rakesh Sinha  
Dr. Adarsh Chaudhary  
Dr. Parveen Bhatia  
Dr. Indu Bhatia  
Dr. S. K. Pal  
Dr. P. P. Singh  
Dr. Pawan Gupta

### Faculty

Dr. A. K. Kriplani  
Dr. Anil Sharma  
Dr. Arun Prasad  
Dr. Arvind Kumar  
Dr. K. N. Srivastava  
Dr. M. C. Mishra  
Dr. Malvika Sabarwal  
Dr. Manish Bajjal  
Dr. P. K. Bhasin  
Dr. Pawanender Lal  
Dr. Rajesh Khullar  
Dr. S. P. Dembla  
Dr. Sanjay Gupta  
Dr. Sudhir Kalhan  
Dr. V. K. Malik  
Dr. Vandana Soni  
Dr. Yogesh Aggarwal

## THURSDAY, NOVEMBER 18, 2004

and

## MONDAY, NOVEMBER 22, 2004

(9.00 am to 5.00 pm)

### Dry Lab. Course at Ethicon Institute

- Number of participants: 12 per group  
(Total 24 participants per day)

## TUESDAY, NOVEMBER 23, 2004

(9.00 am to 5.00 pm)

### Wet Lab. Course at Ethicon Institute

- Number of participants: 6 per group  
(Total 12 participants)
- Nephrectomy and Splenectomy on pigs

### Instrumentation

**Harmonic Scalpel**

**Endo-Trainer**

**Endosuturing**

**Book: Art of Endosuturing—A step by step approach**

# REGISTRATION FORM
